**Whether you are undertaking a refurbishment, acquiring new premises or constructing a property from scratch, there are a plethora of complex tax rules to navigate to ensure your building project is undertaken in a tax efficient manner.**

At our seminar we will look at key areas of property tax, with a particular focus on:

- Ownership structure
- Capital allowances
- VAT
- SDLT

We will illustrate all the theory by way of case studies and financial examples to bring these key areas to life.

We will finish with a Q&A session to give you an opportunity to ask our tax specialists questions specific to your circumstances.
