Your personal invite to the RBS Seminar

MHA Moore and Smalley will be presenting at the RBS Business Protection Seminar and we would like for you to attend as our guest.

About the event:

The event is designed to help you remain vigilant and make you aware of the need of putting systems in place which will help you safeguard yourself and your business from evolving threats.

The speakers will cover business protection from three unique perspectives. Karen Hain, Partner at MHA Moore & Smalley will present on the need for robust internal systems and procedures to help prevent fraud and theft.

Nathan Douse, Financial Planning Consultant at MHA Moore & Smalley will discuss the need for protecting key individuals within the business to aid business continuity.

Hannah Regan, Cyber Crime & Fraud Awareness by RBS Fraud Representative will cover:

- Social Engineering - which is a real threat
- Current Fraud Threats – invoice redirection fraud/bogus boss fraud
- Malicious Software
