Your accountancy career with MHA Moore & Smalley

The role

Our apprenticeship scheme has an excellent reputation for providing a broad base of skills with real value in the commercial marketplace. Whilst the programme is stimulating and demanding, it is also designed to give you responsibility for your own career at an early stage.

A week in the life of an apprentice

- 2 – 4 year training contract studying the AAT qualification – the first step to becoming a chartered accountant.
- Learn how to prepare accounts and draft tax computations.
- Work on a range of client businesses.
- Undertake accounting and tax assignments.
- Earn while you learn, combining the demands of a full time role whilst studying for a professional qualification.

Clear career opportunities and progression paths

Great managers, capable of developing and nurturing talent

Flexible benefit and working patterns

Pay progression linked to role development

High levels of staff engagement around the firm's values

Great social life and involvement in community & charitable initiatives

Part of a national and international network of firms with global opportunities

A diverse work family

“What our current employees say

“MHA Moore and Smalley is dedicated to my development and understand the importance of having time off to focus on my studies. The whole morale of the firm is high and everyone encourages me to strive and be the best I can be. The whole firm is full of bright people who made me feel welcome and made it easy for me to fit in.”

Joshua Sadler - Trainee Accountant
